# 13. Voting through electronic means

Pursuant to Section 108 of the Companies Act, 2013, read with the relevant Rules of the Act, the Company is pleased to provide the facility to Members to exercise their right to vote by electronic means. The Members, whose names appear in the Register of Members / list of Beneficial Owners as on 13.09.2025, i.e. the date prior to the commencement of book closure date are entitled to vote on the Resolutions set forth in this Notice. The remote e-voting period will commence at 9.00 a.m. on Wednesday, 17th of September, 2025 and will end at 5.00 p.m. on Friday, 19rd September, 2025. The facility for voting through electronic voting system ('Insta Poll')

shall be made available at the meeting and the members attending the meeting who have not cast their vote by remote e-voting shall be able to vote at the meeting through 'Insta Poll'. The Company has appointed **Mr. Akhil Agarwal, Practicing Company Secretary (A35073)**, to act as the Scrutinizer, to scrutinize the Insta Poll and remote e-voting process in a fair and transparent manner. The Members desiring to vote through remote e-voting refer to the detailed procedure given hereinafter.

# The Intructions Of Shareholders For Remote-Voting And E-Voting During AGM And Joining Meeting Through Vc/Oavm Are As Under:

- (i) The voting period begins on 9.00 a.m. on Wednesday, 17<sup>th</sup> of September, 2025 and will end at 5.00 p.m. on Friday, 19<sup>rd</sup> September, 2025. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 13th September, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2021/242 dated 09.12.2021, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2021/242 dated December 9, 2021 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email ld in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

# Management Discussion & Analysis

#### **INDUSTRY STRUCTURE AND DEVELOPMENT:**

The Company is engaged in multiple activities ranging from investing and acquiring securities etc. to deal in textiles and leather goods. The company also raises or borrows money through sale or issue of securities etc. The company is mainly engaged in the business of Fabrics, readymade garments made using many distinctive textiles, fabrics, colors, patterns, motifs, designs and precious saris, bead & stone work, etc. No matter what your individual style maybe, you are sure to find a beautiful sari that will match your taste, given the large collection of stunning Indian sarees available in India. And the best part, saris can be worn at almost all occasions be it weddings, formal parties, family get together and more.

The year 2024-25 began with several changes on the macroeconomic front, including rising inflation, dwindling industrial output and a falling rupee. The enactment of the GST legislation has been a milestone reform that will create a win-win environment for all stakeholders and heralds an integrated and productive economy, and is expected to further boost economic growth. However, there could be temporary transition challenges during the cut-over India's textiles sector is one of the mainstays of the national economy. It is also one of the largest contributing sectors of India's exports contributing 12 per cent to the country's total exports basket. The textiles industry is labour intensive and is one of the largest employers. The industry realized export earnings worth US\$ 41.57 billion in 2013-14.

The textile industry has two broad segments, namely handloom, handicrafts, sericulture, power looms in the unorganized sector and spinning, apparel, garmenting, made ups in the organized sector.

The year 2024-25 marked several momentous economic policy decisions. The passage of the constitutional amendment for implementation of the Goods and Services Tax (GST), and the demonetization of highest denomination notes were the two key measures taken during the year. GST is anticipated to have positive impact on almost all aspects of business operations in the country.

This also provides the industry with the capacity to produce a variety of products suitable to the different market segments, both within and outside the country. India's GDP grew by 8.0% in FY 2024-25, making it one of the fastest growing key economies in the world, he policy initiatives taken up by the government,

low interest rates, declining fiscal deficit and moderate inflation have helped the Indian economy stay on a viable growth path.

#### **OPPORTUNITIES AND THREATS:**

Textile Industry is one of the largest employers in India and has strong linkages with rural economy. The growing young middle class is a source of great potential and provides immense opportunities to spur growth in the industry going forward. The major challenges that textile industry facing is rising production costs, arising out of rising wages, power and interest costs.

Our Company, like any other enterprise, is exposed to business risk which can be an internal as well as external risk. One of the key risks faced by the company in present scenario is the wide and frequent fluctuations in the prices of its raw materials.

The enactment of the GST legislation has been a milestone reform that will create a winwin environment for all stakeholders and heralds an integrated and productive economy, and is expected to further boost economic growth. However, there could be temporary transition challenges during the cut-over period.

#### **SEGMENT WISE OR PRODUCT WISE PERFORMANCE:**

The Company during the year mainly engaged in contact work of textile mainly trading in the readymade garments including embroidery work with stones, beads, etc. The company is presently exploring new opportunities and looks for better prospects in times to come. (Also, the company is engaged in financing activities)

#### GOODS AND SERVICE TAX

Goods and Services Tax (GST) is a landmark reform which will have a lasting impact on the economy and on businesses. Implementation of a well-designed GST model that applies to the widest possible base at a low rate can provide significant growth stimulus to the business and contribute to the Prime Minister's mission of 'Make in India'. Your Company has been preparing for migrating to GST for the past year; changes across IT systems, Supply Chain and operations have been made keeping in mind the sweeping changes that GST would bring in. There were some big positives in India too that would lay the foundation for future growth.

The biggest among them being the growing consensus between all parties to roll out the combined Goods & Services Tax (GST). With the Constitution Amendment Bill for Goods and Services Tax being approved by the President of India post its passage in the Parliament, India moved a step closer to creating a unified taxation structure. GST is bound to usher in efficiencies in the system via ease of doing business (one tax rate subsuming all other taxes), thereby leading to an improved business environment. It will help curtail the cascading effect of multiple taxes and enable faster movement of goods across the country. Moreover, GST implementation is likely to have some temporary impact due to probable down stocking in the trade channels and likely conversion from unorganized to organize.

#### **OUTLOOK:**

The growth in demand is expected in the medium term to rely on high consumption in the domestic market. Our Company is committed to build business with long term goal based on our Company's intrinsic strength in terms of product quality and customer network. Large additions are expected this financial year that should result in more competitive costs that will improve our domestic profits. The introduction of GST should see a level playing field between our Company and other companies which are tax exempt. This should further improve margins for our Company in the long run, other things being same. The Company will continue to focus on specialty and differentiated products.

#### RISKS AND CONCERNS:

The Company has identified the potential risks and threats and the Company has taken effective steps to mitigate the same.

The present risks and anticipated future risks are reviewed by the management of our Company at regular intervals. Based on its past experiences, the management tries to remain vigilant about all prospective risks and takes suitable preventive measures to adequately safeguard its resources like men, machine & money, so that the business continues as usual even during difficult situations.

#### **INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY:**

Commensurate with the size and nature of operations, the Company has adequate systems of internal control and procedures covering all financial and operating functions. It believes that a good internal control framework is one of the most indispensable factors of Corporate Governance. The audit committee supervises all aspects of internal functioning and advises corrective action as and when required.

# <u>DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL</u> PERFORMANCE:

During the year under review, Gross turnover amounts to Rs. 186.570 lacs as compared to previous year which stood at Rs. 408.620 lacs & profit after tax amounts to Rs. 8,14,000 in the current year as compared to preceding year of Rs. 5,87,164. Thus, sales & profits have been increased this year with better utilization of available resources and proper implementation of business strategies.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, its *profit* and its cash flows for the year ended on that date

- a) In the case of the balance sheet, of the state of affairs of the company as at March 31, 2025
- b) In the case of the Profit and Loss Account, of the profit for the period ended on that date and
- c) In the case of cash flow statement, for the cash flows for the year ended on that date
- d) And the changes in equity for the year ended on that date

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matter	Auditor's Response
1.	Nil	Nil

## Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal and Regulatory Requirements

- 1. - (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.
- v. No dividend have been declared or paid during the year by the company.
- vi. Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2025 which have the feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software systems.

Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

#### Annexure B

Independent Auditor's Report on the internal financial controls with reference to the standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of **KALPATARU ENGINEERING LTD** ('the Company') as at and for the year ended 31 March 2025, we have audited the internal financial controls with reference to standalone financial statements of the Company as at that date.

## Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

## Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Standalone Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.
- 5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

### Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

## Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2025, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

The company's Principal Business in Investment like Loans & Advance and Investments.

## Note 1 <u>-SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND KEY ACCOUNTING ESTIMATES AND JUDGEMENTS:</u>

#### a. Statement of compliance:

The financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016 and other relevant provisions of the Act.

For the year ended 31st March, 2025, the financial statements of the Company have been prepared in compliance with the Indian Accounting Standards (Ind AS) noticed under Section 133 of Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Accounting Standards) Amendment Rules, 2016.

#### b. Basis of preparation of financial statements

The Company has prepared the Financial Statements which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended 31st March, 2025, and a summary of the significant accounting policies and other explanatory information (together hereinafter referred to as "Financial Statements.

These financial statements have been prepared and presented under the historical cost convention, on accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements

The financial statements are presented in Indian Rupees ('INR') and all values are rounded to the nearest INR", except otherwise indicated.

#### c. Use of estimates and judgements

The preparation of the financial statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

#### d. Presentation of Financial Statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Statement of Cash Flows has been prepared and presented

as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).

### e. Revenue Recognition

Revenue is recognized based to the extent it is probable that the economic benefit will flow to the company and revenue can be reliably measured regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment, and excludes taxes & duties collected on behalf of the Government and is reduced for estimated customer returns, rebates and other similar allowances.

Interest Income is recorded using the Effective Interest Rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

The Company recognizes revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the company and significant risk and reward incidental to sale of products is transferred to the buyer, usually on delivery of the goods.

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

#### f. Inventories

Inventories are valued at the lower of cost and net realizable value (NRV). At cost or Net Realizable value whichever is lower.

#### g. Cash Flow Statement

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

For the purpose of the statement of cash flows, cash and cash equivalents includes cash on hand, term deposits and other short term highly liquid investments, net of bank overdrafts as they are considered an integral part of the Company's cash management. Bank overdrafts are shown within short term borrowing in balance sheet.

#### h. Tangible fixed assets

Fixed assets are stated at cost, less depreciation and impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Particular	Estimated life in Years
COMPUTER	6 Years

#### i. Depreciation

Depreciation on fixed assets is provided on a straight-line basis using the rates arrived at based on the useful lives estimated by the management, or those prescribed under the Schedule II to the Companies Act, 2013, whichever is higher. However Management has not estimated the useful lives of assets and rate is used as per the Companies Act, 2013.

#### j. Borrowing

Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method. Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired.

#### k. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. In the current year, the custom duty paid on acquisition of Fixed asset has been capitalized as the duty paid is not refundable.

All other borrowing costs are recognized in Statement of Profit and Loss in the period in which they are incurred.

#### 1. Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as expenditure, when an employee renders the related service.

#### m. Income taxes

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India. The tax rates and tax Laws used to compute the amounts are those that are enacted, at the reporting date.

Deferred Taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets including the unrecognized deferred tax assets, if any, at each reporting date, are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date and are adjusted for its appropriateness.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The company recognizes MAT credit available as an asset only to the extent there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT Credit is allowed to be carried forward. In the year in which the Company recognizes MAT Credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternate Tax under the Income Tax Act, 1961, the said asset is created by way of credit to the statement of Profit and Loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the sufficient period.

### n. Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) for the year by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for treasury shares, bonus issue, bonus element in a rights issue to existing shareholders, share split and

reverse share split (consolidation of shares).

Diluted earnings per share is computed by dividing the profit/(loss) for the year as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date.

#### o. Cash flow statement

Cash Flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transaction of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income and expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

#### p. Provisions, Contingent Liabilities & Contingent Assets

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

## r. Disclosures required under Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006

The Company has no dealing with any party registered under the Micro, Small and Medium Enterprises Development Act, 2006.

#### s. Cash and cash equivalent

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and demand deposits with an original maturity of three months or less and highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

The bank balances in India include both rupee accounts. On a standalone basis, balance in current and deposit accounts stood at 1,73,94,545.51/--, as at March 31, 2025.

#### t. Related party transaction

As per the Ind AS 24, the disclosures of transactions with the related parties are given below -:

Name Relation Amount		Amount	Transaction
Sweety Agarwal	Company Secretary (EX)	52,500/-	Salarv

#### u. Event occurring after the date of balance sheet

Where material event occurring after the date of the balance sheet are considered up to the date of approval of accounts by the board of director

#### v. Recoverability of trade receivables

Required judgments are used in assessing the recoverability of overdue trade receivables and for determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate risk of non-payment.
